# SUNY Resident Major Presentations

## March 10-11, 2010

### *\$20/Hour*

Each year all of SUNY's current residents are required to do a one hour major presentation on an optometric topic relevant to their education. This year all of these 30 lectures will be part of a special two day program showcasing our Residents on Wednesday, March 10<sup>th</sup> and Thursday, March 11<sup>th</sup> on campus here at the SUNY, State College of Optometry.

Enclosed is the schedule for this program. Each presentation has been submitted to COPE and is pending approval. At each time interval there will be two different presentations running simultaneously (and occasionally three.) You may choose between the different presentations and attend as many as you wish. Each presentation is \$20 and one hour in length. There is no minimum requirement and you can attend a maximum of seven (7) presentations per day for a total of 14 continuing education hours over the two-day program. The 30 presentations cover an extremely broad array of topics relevant in optometry so there should be something of interest for everyone.

## *Space is limited.*

Please make your check payable to the: **SUNY, State College of Optometry**  
To register please fill out the form and mail it to: *Continuing Education, SUNY-Optometry, 33 West 42nd Street, New York, NY, 10036*, Fax 212-938-5653, or call 212-938-5830.

I will attend the 2010 Resident Presentations: \_\_\_\_\_ : Total # of hours for both days
