** Dates are subject to change when necessary.		

It is the policy of SUNY College of Optometry that faculty, staff or students may be excused from classes and UEC clinics for the observance of religious holidays if advance notice is given. Excused absence from clinic for religious observances requires advance notice to the appropriate UEC Service Chief at the beginning of the term for coverage and rescheduling. For academic courses, faculty must notify their Department Chair and students must notify the course Instructor of Record at the beginning of the term or as soon as the syllabus is available. Students are responsible for any missed material, requirements, labs or clinics and must ensure that any missed examinations or assessments are made up. Faculty must take vacation leave for missed days.

Severe Weather Emergencies

When severe weather occurs, the President may decide to cancel or move to remote access for classes, labs and/or clinic assignments. To close the college, a directive or declaration from the Governor's office is required.

Closure or cancellation/remote access notices will be made through the following outlets:

- College website – <http://www.sunyopt.edu>
- SUNY Optometry Emergency Mass Notification System and Office365 Email Alerts
- Recorded message on the College’s main telephone number (212-938-4000)
