

CV 22-43 Clinical Evaluation of Biofinity Contact Lenses
(Cooper 3 Contact Lens Study)

Why is this research being conducted?

This research is being conducted to evaluate the comfort and clinical performance of Biofinity lenses.

You may be eligible to participate if volunteers are:

- Are at least 18 years of age
- Are contact bi-weekly or monthly contact lens wearers
- Contact lens spherical prescription between -0.50 D to -6.25 D (inclusive), astigmatism \leq -0.75D
- Have healthy eyes with normal 20/20 vision

Further screening questions will be asked prior to scheduling an appointment.

What does participating in the study involve?

If you qualify and choose to join the study, you will be compensated for your time and associated participation costs.

Who can I contact for more information?

Principal Investigator is Melissa Lee-Kung OD, MS, FAAO

For more information, please contact us by phone: 212-938-4052, or by email: clinicresearch@sunyopt.edu and someone from the clinical research department will get back to you.
