

Waiver of Additional Money for Holiday Work

I am eligible for additional money if I am required to work during my regular working hours on any day observed by the State as a holiday. Between April 2 and May 15, 2022, I may waive my right to such additional money and choose to receive compensatory time off instead. If I previously waived my right to receive money for holiday work, I have until May 15, 2022 to cancel that decision and start receiving money again.

I wish to change the way I am currently being paid for holiday work:

☐

I wish to receive compensatory time off.

☐

I wish to receive money.

I understand that this is the way I will receive holiday compensation from now on. I will not be able to change this decision until at least April 1, 2023, and it will continue this way unless I do change it during an open period in 2023 or later.
