

CooperVision Contact Lens Study

WHAT IS THE GOAL OF THE STUDY?

This study is to confirm the clinical performance of a new manufacturing process for comfilcon A contact lenses

WHO CAN PARTICIPATE?

Eligibility Criteria:

- 18 years and older
- Are Biofinity contact lens wearers ONLY
- Contact spherical prescription between -0.50D and -6.00D, (inclusive)
- Spectacle prescription astigmatism $\leq 0.75D$ in both eyes
- Have healthy eyes
- Had an exam in the last year

Further screening questions will be asked prior to scheduling an appointment

WHAT IS EXPECTED OF PARTICIPANTS?

- Participants will be assessed with a typical eye examination to verify eligibility
- Eligible participants will be expected to complete 3 visits over a 30-day period
- Each visit will last up to 1-1.5 hours

WILL I BENEFIT FROM PARTICIPATING?

There is no direct benefit to participating in this study

WHAT ELSE SHOULD I KNOW?

If you are eligible to participate, you may be compensated up to \$175 for your time.

WHO CAN I CONTACT TO LEARN MORE ABOUT THE STUDY?

You may contact the Clinical Vision Research Center at the SUNY College of Optometry

Principal Investigator: Josianne Manasse, O.D.
