

Applications, Acceptances and Enrolled (OD-MS)

This bar chart depicts OD-MS student applications, acceptances, and enrollments at SUNY College of Optometry from 2016 to 2025. Applications (blue) increase early to a peak of 10 applicants in 2021-2022 before dropping between 2022-2025. Acceptances (red) begin with 3 acceptances in 2016-2017, slowly increase and peaks at 10 acceptances in 2021-2022 before dropping between 2022-2025. Enrollments (yellow) begin with 3 enrollments in 2016-2017, increases to a peak of 9 enrollments in 2021-2023 before declining 2023-2025. Overall, applications are much higher than acceptances and enrollments, with the largest activity occurring in the earlier years and leveling off over time.
