

NYS Applications, Admissions and Enrollment by Year

This bar chart shows applicants, acceptances, and enrollments at SUNY College of Optometry from 2016–2025. Applicants (blue) range from about 108 to 138, peaking at 138 (2016, 2021, and 2025). Acceptances (red) range from 44 to 62, peaking at 62 in 2019. Enrollments range from 36 to 55, peaking at 55 in 2019. In every year, applicants exceed acceptances, and acceptances exceed enrollments.
