

# Under-Represented Minority Students

This bar chart shows underrepresented minority applicants, acceptances, and matriculations at SUNY College of Optometry from 2016–2025. Applicants (blue) range from about 52 to 87, peaking at 87 in 2022; acceptances (red) range from 9 to 27, peaking at 27 in 2022–2023; and matriculations (yellow) range from 6 to 17, peaking at 17 in 2020. In every year, applicants exceed acceptances, and acceptances exceed matriculations.
